

MANCHESTER'S IV

PERFORMANCE PLUS FIRM OR PLUSH EUROPILLOWTOP

Moisture Wicking Fabric

Cover fabric designed to draw moisture away from your body during the night, helping to keep you more comfortable.

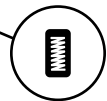

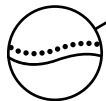

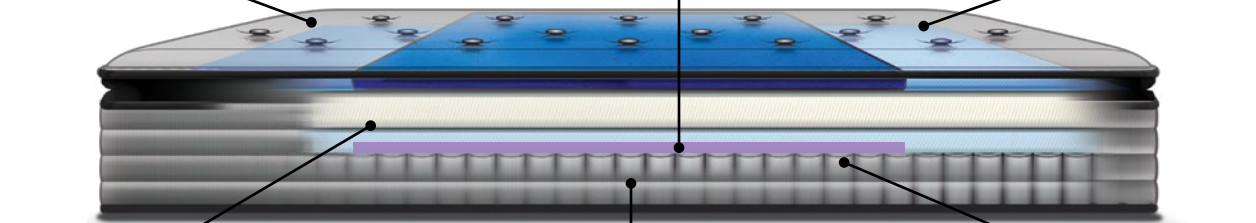

Resilient BioGel Latex

Aerated design and open cell structure creates maximum airflow and circulation, reducing trapped body heat.

SealyCool Fibre

Cool, soft and silky fibre conforms and adjusts to changing positions for exceptional comfort.

HD CertiPUR-US

Cushioning foam that's pre-compressed for consistent, long-lasting comfort and support.

Locally Made Quality

Proudly Canadian made in one of our three manufacturing facilities.

Pocket Coils

Encased to allow each coil to move independently, for more targeted support and reduced motion transfer.
